Dear Prospective Donor,

The 58th National Convention of Ukrainian Self-Reliance League of Canada (USRL) will be held at Saskatoon's landmark hotel, the Delta Bessborough, August 21 – 25th, 2013. On behalf of the USRL, we actively seeking sponsors and donors for the Convention.

The USRL Conventions are held every two years in Canada. The organizing committee of each Convention strives to find the best speakers and bring together groups, organizations and individuals from our Ukrainian community. More than 200 delegates from across Canada are expected to attend. The USRL is an organization devoted to the attainment, among its members, of the highest level of educational, cultural, civic and democratic awareness, understanding and practice. The League, formed in 1927, is incorporated as a non-profit organization in good standing under the Business Corporations Act of Canada.

Recent previous Conventions in Edmonton and Regina were very successful, with delegates ranging in age from early teens to 90 years of age. Participants enjoyed the workshops and speakers and have provided suggestions for future speakers and topics. We are taking these suggestions into account.

The Ukrainian community is an integral part of Canadian society. To maintain and grow our presence in Canada, the National Convention Arrangements Committee in Saskatoon needs your support, co-operation and generosity. Your cooperation will be appreciated and acknowledged.

A sponsorship category list and a reply sheet are attached for your convenience. All sponsors/donors will be given recognition in the Convention booklet.

Sincerely,

Cecilia Kachkowski
