Who We Are

Your Donation Makes A Difference

As a national registered charity we exist to receive donations, contributions and legacies. We invest donations, then grant portions of the income to other charitable or educational organizations.

Donation made to Foundation

With a solid background and over 40 years of tradition beginning with Theodore Humeniuk's donation of \$50,000 in 1964, your donation is a gift that keeps on giving in perpetuity.

\$ invested for growth

Growth invested back into community

Our Vision is to continue to preserve a culture that we value most dearly in order to ensure that future generations are able to understand and appreciate where we have been and the contributions that we have made.

We will continue to foster our youth and youth related programs. Without them there will be no one to remember and no one to carry on.
